

2021 Rain Barrel Sale

The Allen Soil and Water Conservation District (SWCD) is again selling 45-gallon, plastic, terracotta colored rain barrels. The goal of this sale is to offer an attractive, affordable rain barrel (pictured below). The barrels come complete with a diverter kit and hardware to quickly connect the units to downspouts.

Two ways to order: Online at www.allenswcd.com or by mailing the form below. Rain barrels will need to be picked up, by the customer, at our district office. For more information about the sale or rain barrels, contact Casey at Allen SWCD at 419-999-0318.

Features of this Rain Barrel

- 45-gallon barrel with snap on lid
- Lid can be inverted for use as a planter
- Made in the USA from durable food grade HDPE resin
- 30% recycled content
- Sealed system resists mosquitoes, insects, and algae growth
- Includes diverter and all parts needed for installation
- Diverter is easy to install and winterize
- No special tools needed – hole saw included
- Spigot and drain have standard garden hose connection
- Illustrated step-by-step instructions
- Works with standard rectangular downspouts

\$25 Rebate Offered in Specific Areas

If you live in the City of Lima, Village of Elida, or American, Bath, Perry, or Shawnee Townships, you are eligible for a rebate. This is a \$25 rebate per barrel, two per household. The form is online at www.allenswcd.com. The rebate is restricted to these areas because they are in a USEPA mandated urban stormwater area, and these entities are funding their respective rebates.

Purchase Rain Barrels Locally

Many local businesses carry rain barrels seasonally. Check with your local garden center or hardware store for a variety of sizes, styles and colors. Rebates apply, if you live in the urbanized area, no matter where you purchased your barrel.
