

REQUEST FOR ASSISTANCE WATER MANAGEMENT IMPROVEMENT

**Under the provisions of Sections 1515.01 to 1515.29 inclusive of the
Revised Code of Ohio. Commonly referred to as Conservation Works of Improvement.**

We request that the **ALLEN Soil and Water Conservation District** assist us in the planning, feasibility survey and the construction of the works of improvement needed to attain the following:

(List those improvements you feel are needed in your project area)

We recommend the following name for our project: _____

It contains approximately _____ acres and _____ landowners.

We, the undersigned, grant the District or its representative ingress and egress on our land to make a survey. The District shall not be liable for damage resulting from this survey and investigation except for any damages caused by gross negligence or willful misconduct. The District agrees to furnish all labor and materials as needed, at no cost to the Group, to assist in making the survey and investigation. We, the undersigned, further agree to the following: the preliminary survey indicates the proposed improvement to be feasible and practical; the Soil and Water Conservation Board of Supervisors approves the need of the improvement; the Board of County Commissioners decides that the benefits of the proposed improvement exceeds the costs to the landowners; we will provide the necessary easements for construction (Section 1515 of the Ohio Revised Code) and maintenance (Section 6137 of the Ohio Revised Code), at no cost to the Group, the District's Board of Supervisors, or the County.
