Rebates

The Allen Soil and Water Conservation District is making it easy for you to help the environment and save money with our rain barrel and tree rebate programs!

Tree Rebate

All City of Lima residents, business and non-residential property owners can take advantage of a 50% rebate off the cost of newly planted trees.

requirements for rebate include:

- OUPS inspection (811 Call before you dig)
- Pre-planting consultation with Allen SWCD
- Tree from approved list
- After planting inspection completed by Allen SWCD

Rain Barrel Rebate

Qualifying residents and business owners in the City of Lima may receive a \$60 rebate on the purchase and proper instillation of a rain barrel. The rain barrel must have a capacity of at least 40 gallons. Limit one rebate per barrel and no more than two rebates may be given per stormwater utility customer account or instillation address per year.
